## INTRO

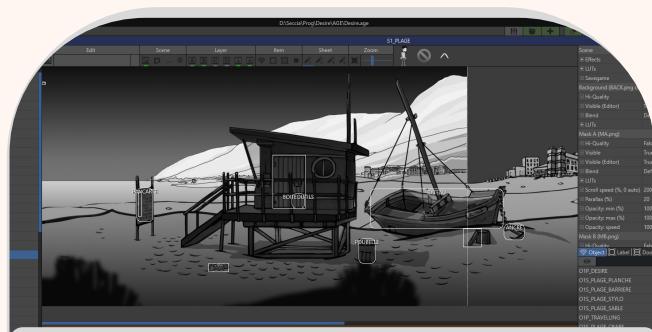

I'm Noah, a dedicated web developer with a love for both the digital and natural worlds. Beyond crafting websites, I enjoy the serenity of long beach strolls, and the thrill of video gaming.

## INTERESTS

### Coding

I use Visual Code to build visually astonishing websites

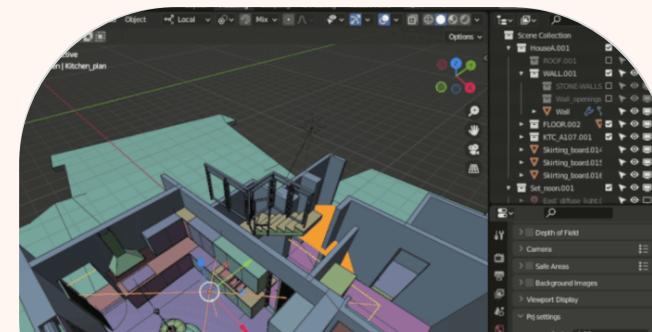

### Video games

I love to play and someday create my own game

### Walking

I love beach Strolls.  
LONG beach strolls

### 3D

I use blender to create stunning 3d animation
